What's Happening in LMS INSTRUMENTAL MUSIC!

It's hard to believe we are already in May. It's been a great year for the Instrumental Music Department here at LMS. Many thanks to the students and parents for terrific performances and tremendous support.

Thanks to all for the support of our **Dessert Fundraiser** in April. We appreciate the dessert donations and wonderful performances by the students. We **raised over \$1400** for new instrument purchases and repair! Great job!

Congratulations to the LMS Sixth Grade Orchestra for a great performance with the Elementary Orchestras on April 30th. Way to go!

The **LMS Sixth Grade Band** will play for the opening of the **Pullman Community Garden May 16th from 10:00-10:30**. Mr. Covill has sent home information about this performance; please see the website, give him a call or send an email if you have questions. This is the second year we will perform for this event; it's great to be able to support these kinds of community activities.

The **LMS Jazz Bands and Sixth Grade Concert Band** will have their spring **concert Thursday, May 21st at 7:30 pm in the LMS Commons**. Students should wear their concert black and white clothing.

The **LMS Seventh and Eighth grade Concert Band and Seventh and Eighth Grade Orchestra along with the Seventh and Eighth grade Full Orchestra** will have their spring concert **Thursday, May 28th at 7:30 pm in the LMS Gymnasium**. Students should wear their black and white clothing for this final concert of the year.

Please see the summer **music camp flyer included in the newsletter**. This is always a lot of fun. We encourage students to participate in the Advanced Ensembles on their regular instrument and try something new in the Beginning Ensembles. Please call or email Mr. or Mrs. Covill if you have questions.

Thanks again for an excellent year!

Thank you for your support of the LMS Instrumental Music Program!
